THE UNIVERSITY OF WOLVERHAMPTON

Studying at the University of Wolverhampton, you'll not only benefit from excellent facilities and academic support, but also affordable living, a diverse and inclusive campus community, and excellent connections to major British cities.

Strategy 2035: Creating Opportunity, Transforming Futures

The university's Strategy 2035 aims to create opportunity by offering high-quality education, developing students' skills, and shaping the future to create a fairer, more productive, and sustainable society through learning, research, and knowledge exchange.

Specialist academic schools

At the University of Wolverhampton, courses are taught by one of the specialist academic schools, which are grouped into three overarching faculties. Each school specialises in subject areas headed up by academic staff who are experts in their fields, with many courses accredited by recognised professional bodies.

Changing the world for the better

The University of Wolverhampton's research is wide-ranging, tackling everything from cancer research, cybersecurity and rainforest governance, to biodegradable dressings, dementia, and English novels. At the heart of all they do is a desire to change the world for the better.

Academics and researchers collaborate with others around the world, and the latest Research Excellence Framework, released in 2022, judged more than half of its output to be either internationally excellent or world-leading.

OUR INTERNATIONAL STUDY CENTRE

We are committed to helping you have an unforgettable experience at the University of Wolverhampton International Study Centre. Our friendly staff will be on hand to provide support and advice, and we'll organise a range of exciting activities to help you get used to living in the UK. You will also have full access to university facilities, so you can get involved with campus life from day one.

The International Study Centre is located at the University of Wolverhampton's City Campus. It is the beating heart of the university, right in the centre of the city of Wolverhampton. With everything city living has to offer, start your journey to becoming a proud Wulfrunian (that's what the people of Wolverhampton are called!).

You will benefit from:

Small class sizes

You will study a range of subject modules in small, interactive, and supportive classes with a focus on your personal development to help you achieve, succeed, and grow.

University-style teaching

Through every step of your journey with us, you will be supported by highly qualified teachers. You will adapt to university-style teaching whilst building your abilities to study effectively through 24 hours of class teaching per week and regular personal tutorial sessions.

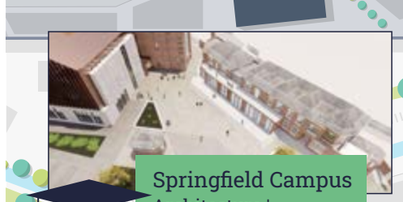

Dedicated support team

Your personal tutor will meet with you regularly to ensure you are on track to pass the programme and progress to your chosen degree, and to help address any issues you might have inside or outside classes.

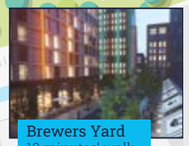

Access to university facilities from day one

You will have access to the fully-equipped library and online resources, Students' Union and the student support team which will fully immerse you in the on-campus student study experience.

"The University of Wolverhampton was the only university offering an MSc in Climate Change Management, and I needed their teaching knowledge to train me at an international level. I've been serving as Vice Chair for COP 28, and I have had the best mentors in the world at the University of Wolverhampton."

Careers and employability

The Careers team provides comprehensive support to students and graduates, assisting them in exploring career options, developing essential skills, and navigating job application stages. The university has several well-established schemes providing students with placements and industry work experience, with partners including Wolverhampton Wanderers, West Bromwich Albion, and Walsall football clubs; city centre music venue, University of Wolverhampton at The Halls; as well as subject-specific partnerships such as careers advice and mentoring for law students from DWF LLP, or a range of opportunities to gain experience with Morgan Motor Cars for engineering students.

Every Level 5 and 7 student will be offered structured professional development placements. These short-term, project-based experiences are always linked to coursework or professional development modules and provide practical experience while enhancing key workplace skills such as communication, teamwork, and problem-solving. They help bridge the gap between studies and future careers, giving students confidence and readiness for post-graduation success.

Societies

Societies are a great way for you to meet people who share the same interests or to try something new while at university. They are run by students, for students and hold meetings, day trips, activities, and social events for you to get involved with.

There's a range of societies to explore, including:

- Book club
- Business
- Chess
- Climbing
- Criminology
- International Relations
- Music
- Sign Language

Sports

Studying at the University of Wolverhampton gives you access to a student experience rich in sporting potential.

WLV Sport also enables students to play competitive sport whilst studying at University of Wolverhampton. They enter teams across a range of sports including basketball, netball, judo, badminton, futsal, football and touch rugby and in the national BUCS (British Universities and Colleges Sport) competition programme.

NEXT STEPS

1. APPLICATION:

Submit your application online: isc.wlv.ac.uk/apply or scan the QR code below

Our team will contact you to submit your supporting documents:

- A copy of your passport
- A copy of your academic transcript and certificate
- Proof of your English language level (UKVI IELTS or equivalent)
- A personal statement

Additional documentation may be required depending on your application. If our team needs more information, we will let you know.

2. ADMISSIONS ASSESSMENT:

Our Admissions team will review your application and documents. Some students may be contacted for a pre-screening, so you may receive a phone call from us.

3. OFFER LETTER:

We will send you an offer letter. If it is conditional, we will let you know what we need from you. Otherwise, it will be unconditional, meaning that you do not need to do anything else to be accepted.

If we think the course is not right for you, we will suggest an alternative.

4. ACCEPT YOUR OFFER:

To hold your place on the course, you will need to meet all the remaining conditions. We can only confirm your place once all conditions have been met and the deposit paid. Please note that if you require a visa to study with us, you may need to provide additional evidence to comply with the visa regulations in the UK. You may also need to pass a credibility interview. We'll let you know more about how to prepare.

5. CAS ISSUED:

Once you have paid your remaining fees, met all the conditions of offer, and passed a credibility interview if required, we will confirm your place and send you a Confirmation of Acceptance for Studies (CAS). You will need this to obtain a visa. Please note, a CAS can only be issued up to six months before the start of the course if you apply from outside the UK, or up to three months if you are eligible to apply from within the UK.

6. APPLY FOR VISA:

You will then need to apply for your visa. It is your responsibility to obtain a visa before you travel to join the course. If you do not have a valid visa for studies in the UK, you will not be able to join the course.

7. ARRIVAL:

You should arrive on the weekend before the start date of the course. Please tell us when you are coming. We will send you pre-arrival information about your course and life in the UK.

We look forward to welcoming you.

Get in touch, we'd love to hear from you:
